Parodying the Elvis song "Jailhouse Rock"

Hamtaro threw a party at the clubhouse

The ham ham gang was there they are ganna rock the house

Snoozer started snoozin' Sandy started to sing

And the ham hams started to do their thing

Let's rock, everybody, let's rock

Everybody in the ham ham block

Was dancin' to the Clubhouse Rock

Boss got control of the microphone

All the girls was playing a game of telephone

Then came Maxwell, he is the newspaper king

He played the hamtaro theme song they started to sing!

Let's rock, everybody, let's rock

Everybody in the ham ham block

Was dancin' to the Clubhouse Rock

Stan said to Pashmina, the girl number three

"You're the cutest Hambird that I ever did see

I sure think it would rock with your company

Come on and do the Clubhouse Rock with me"

Let's rock, everybody, let's rock

Everybody in the ham ham block

Was dancin' to the Clubhouse Rock

Oxnard in the corner on the round couch

Tears started flowing and he started to slouch

Howdy said "Hey, partner, don't you be no square

If you can't find your seed there's another one over there"

Let's rock, everybody, let's rock

Everybody in the ham ham block

Was dancin' to the Clubhouse Rock

Cappy said to Dexter, "Man oowee!"

And Penelope yelled a big ookwee

All the little hammys partied all day long

As things started to heat up they sing this song

Let's rock, everybody, let's rock

Everybody in the ham ham block

Was dancin' to the Clubhouse Rock

End
